Perihal : **Permohonan Kerjasama rujukan pasien asuransi dan Pembuatan Perjanjian Kerjasama antara Rumah Sakit Prima Husada Malang dan DocDoc**

Kepada Yth,
Direktur Rumah Sakit Prima Husada Malang

Dengan hormat,

Bersama surat ini kami mohon izin untuk memperkenalkan PT DocDoc Healthcare Indonesia ("**DocDoc**") kepada **Rumah Sakit Prima Husada Malang**. DocDoc adalah perusahaan pemberdayaan pasien (patientempowerment company) terkemuka di Asia, yang berkantor pusat di Singapura dan telah beroperasi di beberapa negara Asia seperti Singapura, Malaysia, dan Hongkong. Dan kini DocDoc telah hadir di Indonesia untuk memperluas mitra penyedia layanan kesehatannya.

DocDoc memberikan **solusi layanan medis digital bagi perusahaan asuransi Kesehatan yaitu PFI Mega Life yang merupakan asuransi Corporate** di mana kami menggabungkan keahlian yang mendalam dalam informatika klinis, kecerdasan buatan (artificial intelligence), dan penilaian kualitas kesehatan untuk memberikan solusi sederhana namun jitu.

DocDoc membantu pasien asuransi pada kesempatan pertama untuk mencari dokter yang paling sesuai dalam menangani masalah kesehatan mereka melalui **DocDoc doctor discovery**.

Selanjutnya DocDoc akan membuat janji temu dengan dokter unggulan terpilih dari mitra penyedia layanan kesehatan DocDoc dan **DocDoc akan menjaminkan biaya medis pasien di rumah sakit**, memproses tagihan rawat jalan dan rawat inap serta **membayarkan biaya medis pasien di rumah sakit** atas nama perusahaan asuransi.

Untuk mewujudkan program kerjasama rujukan pasien asuransi ini, dengan kami ingin mengajukan **permohonan kerjasama rujukan pasien dengan membuat Perjanjian Kerjasama antara Rumah Sakit Prima Husada Malang dan PT DocDoc Healthcare Indonesia**.

Besar harapan kami agar permohonan erjasama yang saling menguntungkan ini dapat diterima dan kita wujudkan dalam waktu dekat ini. Dan karena sudah adanya permintaan pasien kami untuk berobat di **Rumah Sakit Prima Husada Malang**

Demikian disampaikan, atas perhatian dan kerjasamanya kamiucapkan banyak terimakasih.

Salam Sejahtera,

dr. Ari Widodo

Imagine the future of Asian insurance powered by an effective ecosystem

Our mission is to create a more transparent, efficient, and effective health insurance ecosystem. We believe that health insurance products must **go beyond paying out claims**. A health insurer should be a policyholder's partner, helping them efficiently and effectively navigate their path to recovery.

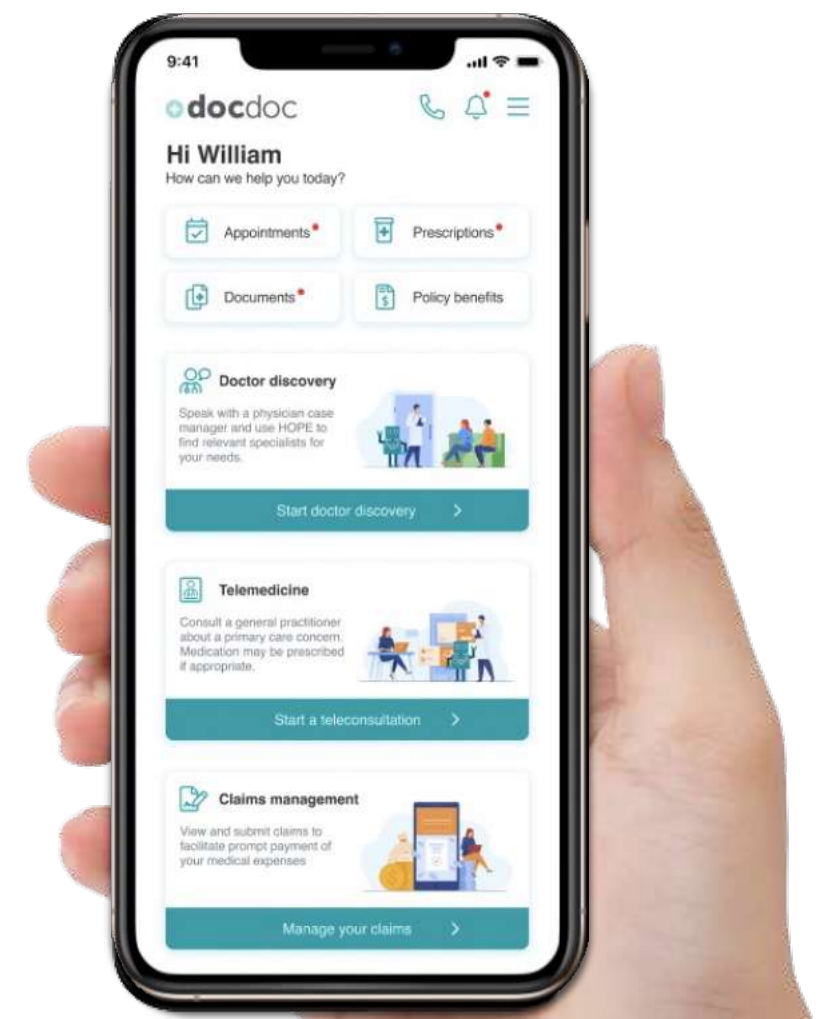

Guided by this belief, we built a digital health ecosystem that helps our patients find the right care the first time. To accomplish this, we work with exceptional healthcare providers who are committed to delivering high quality care to their patients without being weighed down by extensive paperwork.

Imagine an insurer that is **automated** but offers a high degree of **human touch**

Imagine an insurer that **gets to know you**, improving their product **with each use**

Imagine an insurer that can find you **higher quality care**

Imagine an insurer with a **complete ecosystem** designed to **empower you** during your time of need

Imagine an insurance company that learns, providing a fundamentally better user experience

Milestones ...

- 2012 : Founded in Singapore for domestic referral
- 2013 : Medical tourism with Singapore, Malaysia, Thailand, South Korea and India as referral destination
- 2014 : DocDoc presented in Jakarta
- 2014 – 2018 : **B to C** business model - DocDoc introduced **doctor discovery** in Indonesia and the region
- 2019 to present : Business model changed to **B to B** and providing doctor discovery solution only for **insurance policy holders** in Singapore, Malaysia and Hong Kong
- 2021 to present : DocDoc would like to grow its network provider and expand its business in Indonesia providing **digital healthcare solution for insured members**

Global thought-leading institutions recognise that DocDoc’s approach is uniquely positioned to accelerate innovation in the industry.

DocDoc is creating a new data-enabled digital-first insurance ecosystem

DocDoc collaborates with leading insurers, reinsurers, and brokers to administer health insurance policies and delivery high quality healthcare services to patients.

DocDoc's value proposition is unique: leveraging time for effective treatments

We understand that your **time is valuable**. We work tirelessly behind the scenes to make sure that your **time is spent on treating relevant patients**, not filing endless paperwork.

Relevant patient referral for free

HOPE (Heuristic for Outcome, Price, & Experience) matches patients' needs to the doctors' unique expertise at a condition and procedure level

Doctors receive patients most relevant to their expertise

Real-time benefit validation and claims adjudication

Instant benefit validation and swift pre-authorisation approvals to significantly reduce paperwork

Real-time eligibility check for patients for specific procedure and coverage

Fully digital platform interface for enhanced visibility over patients' claim applications

Fast and secure payments

Our proprietary digital claims platform pay out claims faster than incumbent administrators

Multi-layer IT safety protocols implementation to secure private databases and transactions

All data are maintained in a private system and is not made available to the general public.

94.6% of specialists we have approached in 2022 have signed up to join DocDoc's network

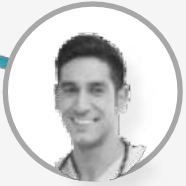

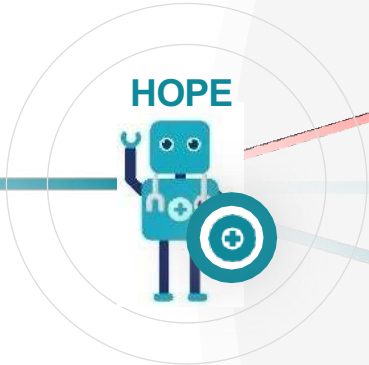

Relevant patient referral

The world’s first scalable doctor discovery product: HOPE

HOPE (heuristic for outcome, price, and experience) is DocDoc’s AI powered doctor discovery engine

Patient: Jason Lim
Age: 43 |
Allergies: None
Condition: Deep Vein Thrombosis
Budget: \$8,000

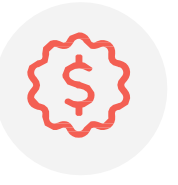

HOPE will match physicians based on the patient's unique needs. Three physicians will be **recommended** based on their relevance as it pertains to the patient’s unique needs at a condition and procedure level of granularity.

Outcome
A measure of the doctor’s expertise at performing a procedure or treating a condition

Price
Affordability based on doctors performing similar procedures in the region*

Experience
The way the doctor and healthcare system made the patient feel

*Our research have shown that a high price does not always directly co-relates to a positive outcome.

Relevant patient referral: combining heuristic results with a human touch

DocDoc's care team experts provide personalised consultations and targeted advice so policyholders can enjoy greater peace of mind

HOPE platform

Policyholders are connected to DocDoc's HOPE platform by our care team agents or through our partners

Doctor discovery consultation

Discovery phone call with a doctor discovery care team

Doctor discovery report

Policyholders receive a unique breakdown with relevant doctor recommendations

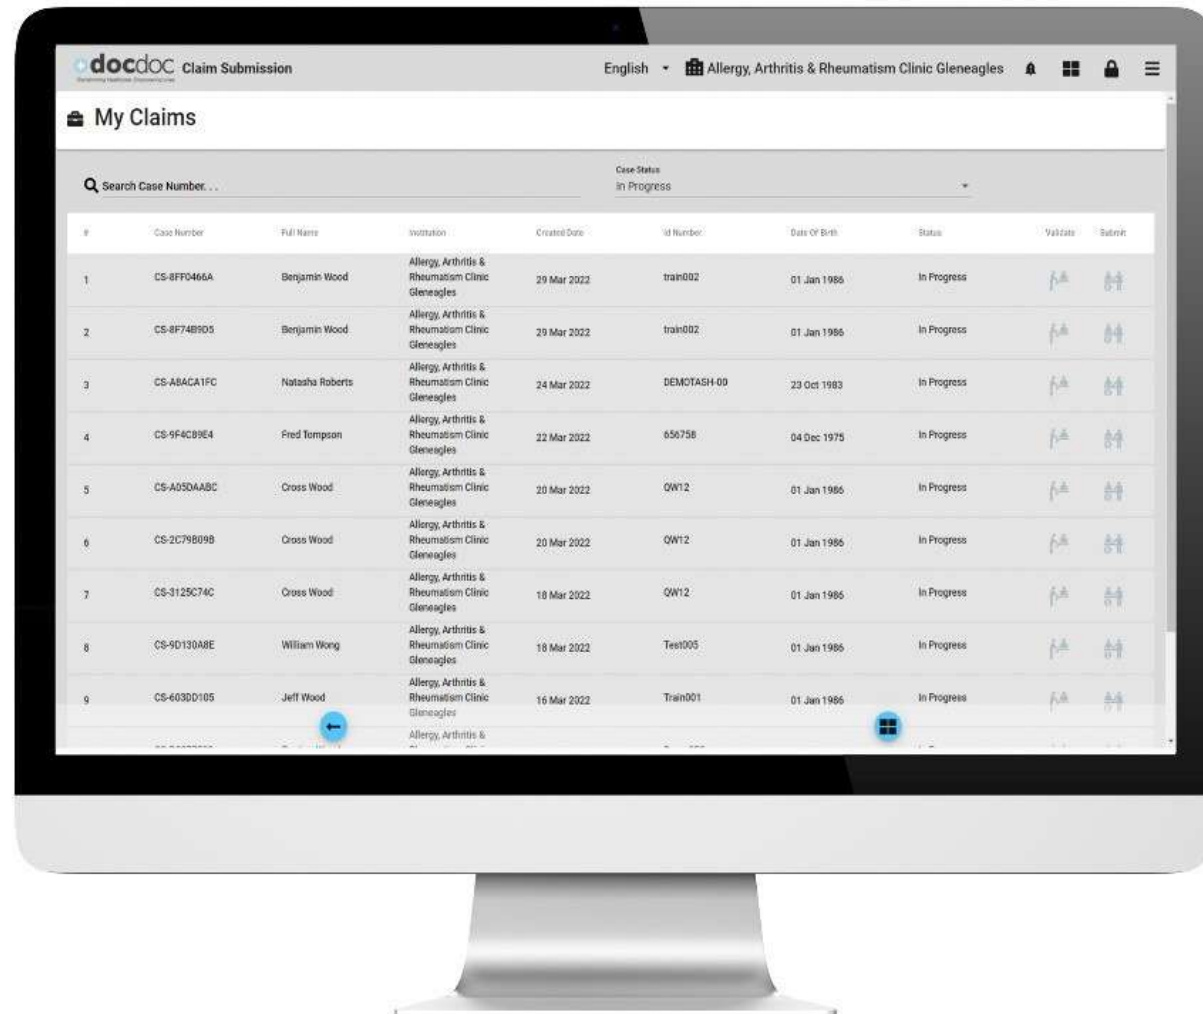

Doctor discovery care team

Our care team comprises of certified doctors trained in our doctor discovery HOPE platform to provide data-driven insights and support to patients.

For any questions and support needs, you may contact the customer care team.

No paperwork, no claim disputes

DocDoc's digital claims engine reduces overhead with faster claims processing, minimising the administrative burden

Instant benefits validation

The platform allows doctors to **instantly verify** a patient's eligibility and benefit coverage, improving the patient's experience while avoiding **claims disputes**

Paperless claims adjudication

The doctor can **easily identify relevant code sets** through **automated drop-down recommendations**, ensuring compliance. Claims can be adjudicated in an entirely **paper-free manner**, creating a cashless experience for both the doctor and the patient

Case and Claims Tracking Dashboard

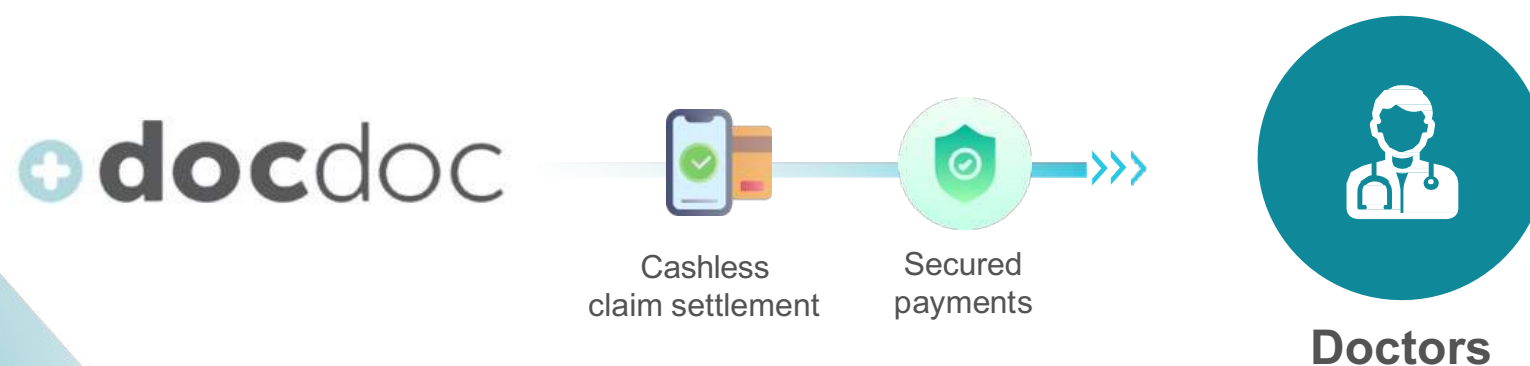

Access a data rich tracking dashboard that **collates all open cases and claims history** in a layout centered on enhancing user experience

Immense time savings: check patients eligibility in real-time and request for pre-authorisation within seconds. Swift pre-authorisation approvals and instant benefit validation translates to time savings that could be dedicated to patient care.

Faster and secured payments

Get paid faster by joining our cashless network

We are committed to providing an expedited claims experience that you will love through an automated process requiring initial inputs via our web portal. **All payments within our cashless network is settled directly between DocDoc and the doctors!**

Doctors in our cashless network are privy to a range of online services such as checking a patients' insurance benefits online, validating benefits within seconds, requesting pre-authorisation for complex treatments, and direct settlement.

Simplifying payments for providers through automation

Upload

Doctors to upload both invoice and supporting documents to the provider portal

Settlement

DocDoc will complete the invoice settlement with the doctor without patient involvement

Seamless Payment

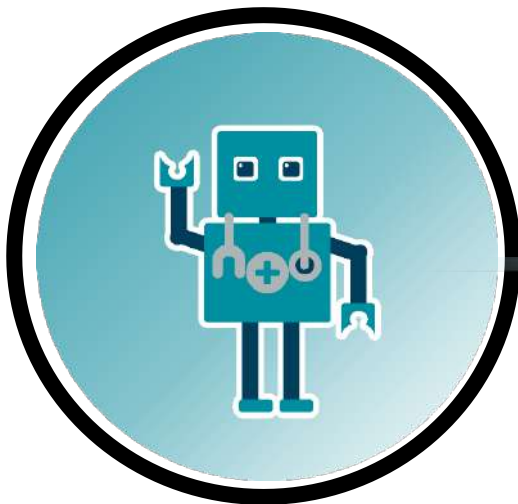

Patients do not need to file their claims separately and doctors get paid faster with no hassle

Here's how your journey begins with us

Onboarding email

Your sign-in credentials will be provided for you to login into our provider portal

Setup and data inputs

Acknowledge the terms of use and thereafter input the relevant data-points into our HOPE knowledge management system*

Training

Training sessions will be held at a provider organisation level on navigating the web product

* Required for all new providers. Existing provider partners may update their data, where necessary.

Doctors would have access to technical support through the onboarding package that is provided to them as a first point of reference.
