WORDS FROM THE CEO

Hari Wahyudin
CEO Shelter Indonesia

As we reflect on another successful year at Shelter Indonesia, I am filled with gratitude and pride for the journey we have traveled together. Shelter Indonesia has continued to grow and evolve, driven by our commitment to excellence and guided by our values that place people at the core of our service.

Shelter Indonesia recognizes the need for adaptability and excellent customer service in today's tech-driven world. We have created a suite of integrated digital applications to consistently provide high-quality services and enhance our customers' experience.

I am grateful to our customers for their trust, which drives us to elevate our standards. Our training programs equip our workforce with essential skills and technologies to serve a diverse clientele effectively.

ABOUT US

Our Brand Story

More than 22 years ago, Shelter Indonesia began with a single vision: to become a leading provider of outsourcing services that prioritize quality, reliability, and customer satisfaction. From humble beginnings, we embarked on a journey to build a brand that stands for excellence in every aspect of our operations. With an unwavering commitment to meeting the evolving needs of our clients, we have grown and adapted over the years, cementing our place as a trusted partner in the industry.

Our Vision

“Helping Customer to Run Their Business Peacefully”

Our Mission

“Excellence in Everything We Do”

Where **Human Capital & Technology** Converged

Our story is one of **continuous learning, innovation, and a deep understanding** of the unique challenges faced by our clients. We started by offering basic services; however as the market evolved, we confidently evolved alongside it. We expanded our expertise, bringing in skilled professionals and adopting the latest technologies to enhance our service offerings. Our approach has always been client-centric, focusing on delivering solutions that not only meet but exceed expectations.

Over the years, we have built strong and lasting relationships with our clients. We are proud of understanding their specific needs and challenges, allowing us to offer customized solutions that drive their success. This personalized approach has earned us the trust and loyalty of numerous clients across various industries, reinforcing our reputation as a reliable partner. Shelter Indonesia's commitment to quality is also reflected in our operational practices. We have implemented stringent quality control measures and adopted international standards to ensure consistency and excellence in our services.

SHELTER

At Shelter Indonesia, our success hinges on the formidable strength of our team. Each member, from our frontline workers to our management, is committed to upholding the highest standards that our brand represents. We invest heavily in recruiting, training, and retaining top talent, ensuring that our team is equipped with the knowledge and skills necessary to deliver exceptional service.

We are dedicated to continuous improvement through **Kaizen**-inspired quality initiatives that invite employee input for enhancing processes. Our **“Monday Inspiration”** program kick-starts the week, motivating our team from the outset. We also regularly introduce activities that reinforce continuous improvement as a core aspect of our company culture, fostering an environment where innovation and excellence thrive.

Reflecting on our journey, we take immense pride in the remarkable milestones we have accomplished:

- Shelter Indonesia recognizes the need for adaptability and excellent customer service in today's tech-driven world. We have created a suite of integrated digital applications to consistently provide high-quality services and enhance our customers' experience.

Where **Human Capital & Technology** Converged

- Throughout our journey, we've formed **strategic partnerships to deliver tailored solutions across industries**, highlighting our commitment to operational efficiency and exceptional value for our partners' evolving needs.
- In response to the industry's escalating demands, we have consistently expanded **our service offerings to proactively stay ahead of market trends and adeptly address a wide range of client needs.**

DISCOVER A NEW ERA IN FACILITY MANAGEMENT!

In today's fast-paced world, controlling is everything. Shelter Indonesia understand the power of technology in redefining how to manage client's facility needs. That's the reason why Shelter Digital Ecosystem was created.

Start Improving Your Business Today

Empower your business with innovative technology to boost productivity, efficiency, and growth.

Streamlined
Operations

Proactive
Problem-Solving

Customized
Solutions

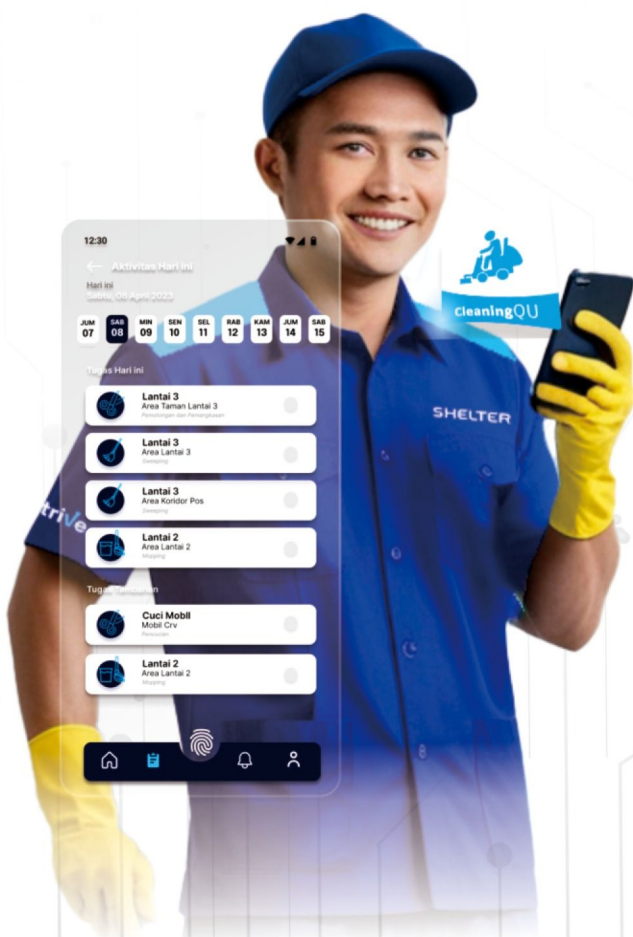

Consistent
Quality

CleaningQU

Integrated solution for efficient and accurate monitoring of attendance, overtime, and work shifts across multiple locations, complete with activity reporting in one platform.

HadirQU

Attendance, overtime work shift employees, monitoring in various locations economically and accurate.

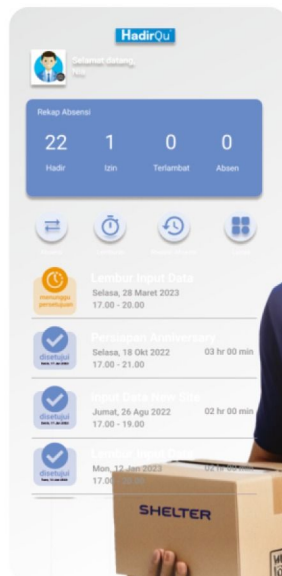

PatrolQU

Replacing the new way of patrolling security guards with real-time reports as well as easy access anywhere and anytime.

PoskoQU

Security digital logbook for easier and real-time monitoring.

HRIS

Our HRIS (Human Resource Information System) payroll system automates payroll processing for accurate, timely compensation. It simplifies tax calculations, benefits management, and compliance, ensuring employees are paid correctly and on time, while reducing administrative effort.

CAIS

The CAIS (Customer & Activity Information System) application is a digital platform designed to efficiently manage and track all customer interactions. It centralizes customer data, automates processes, and enhances accuracy, making it easier for businesses to manage customer relationships and daily operations, especially for the productive age group starting from 30 years up to senior citizens.

WHY CHOOSE US?

Choosing Shelter Indonesia means choosing excellence, innovation, and reliability.

Excellence in Everything We Do

Our commitment for excellence drives us to deliver top-tier facility management services, ensuring that every aspect of your business environment operates at its best.

Quality Resources

Our team consists of highly skilled professionals dedicated to providing outstanding solutions. We invest in their continuous development to keep them at the forefront of industry trends.

Proven Track Records

More than two decades, Shelter Indonesia has been establishing itself as a leader in facility management services. We've received accolades for our achievements.

Cutting-Edge Technology

We harness cutting-edge technology to elevate our services. We equip your operations with the tools of tomorrow, including advanced facility management systems and data analysis.

Innovative Solutions

Shelter Indonesia continually evolves and embraces cutting-edge technology trends to improve productivity and meet your evolving business requirements.

Customized Solutions

We understand that every business is unique. That's why we tailor our solutions to meet your specific industry needs.

TRAINING & DEVELOPMENT PROGRAM

At Shelter Indonesia, we prioritize excellence through dedicated training at the Shelter Training Center. Our employees refine their skills, spanning security, cleaning services, and corporate investigations, to consistently provide exceptional service everyday.

Firefighting Training

Our firefighting training equips your team with essential skills for emergency response, fire prevention, and safety, ensuring effective handling of fire emergencies.

Cleaning Training

Thoroughly prepare cleaning service personnel and significantly enhance their proficiency before on-site placement.

Service Refresh Training

Refresh the knowledge and skills of personnel to ensure they consistently demonstrate honesty, resilience, and friendliness while performing their duties.

Security Competency Training

Our security training program is crucial for obtaining an official license from the Indonesian National Police. We have trained over **13,000 participants** in three levels:

Gada Pratama

- 86 Batches,
- 13,000+ Participants

Gada Madya

- 16 Batches,
- 1,600+ Participants

Gada Utama

- 9 Batches,
- 700+ Participants

UPCOMING TRAINING CENTER 2025

Shelter Indonesia proudly presents the Shelter Training Center, a 5,000-square-meter facility dedicated to comprehensive workforce development. Our training programs cover essential areas such as security, cleaning services, and specialized labor skills, fostering a culture of excellence and empowering our workforce to deliver top-tier services.

- **Modern Classrooms** – Equipped for interactive theoretical training.
- **Simulation Zones** – Real-world practice areas for security, cleaning, and labor management.
- **Technology Labs** – Hands-on experience with advanced field equipment.
- **Physical Training Areas** – Fitness and obstacle courses for security personnel.
- **Accommodations** – Comfortable facilities for out-of-town trainees.

Our programs effectively balance theory with practical skills to ensure readiness for real-world challenges. We are committed to being a leader in workforce development within the outsourcing industry.
